IDENTIFICATION SOUGHT

On 12/2/09 a theft from auto occurred at the Town Mall in Westminster. The vehicle was parked near Gold's Gym and the victim's credit cards among other things were stolen. The stolen credit cards were used after the theft at the Walmart and Target in Westminster. Images of the suspect have been recovered. The suspect purchased electronic gaming systems and associated games. Many of the games were geared to pre-teen audiences.

In a bulletin from the Frederick County Sherriff's office there is an alert for a theft from auto suspect. (Second heading, set of images of a W/M wearing a baseball hat pulled down tight with big ears) The theft occurred on 11/14 in the Catoclin Mountain State Park. THIS IS THE SAME SUSPECT IN THE INCIDENT ON 12/2. Obviously this individual has a wide operating range.

Anyone with information leading to the identity of the above suspect, please notify Detective Schuster at the Westminster Police Department 410-848-4646.
